

COVID-19 SAFETY ANNOUNCEMENT

St. Pierre is excited to announce that we are beginning to reopen our Spa and Yoga studio in compliance with the local, state and national regulations.

We have worked diligently during the closure of the Spa and Yoga Studio due to COVID-19 to update our already rigorous sanitation and safety standards.

Our top priority has always been the wellness and safety of our customers and team members. Our team has been hard at work to raise the bar of hygiene and sanitation, as well as considering every step of your service experience to ensure we meet your needs in a focused and safe manner that is in accordance with government guidelines.

You might notice some changes during your next visit as we have implemented new policies and procedures to further promote the health and safety of customers and team members. We have some of these steps listed below.

Our Commitment to You:

Enhanced sanitation and disinfection protocols including 30 minutes between each appointment to deep clean rooms and common areas.

Meeting or exceeding all state, local and regulatory guidelines relating to sanitation and hygiene. All disinfectants used in the spa and studio are verified to ensure they meet the [EPA](#)'s criteria for use against SARS-CoV-2, the virus that causes COVID-19.

Staggered appointment start times to minimize social contact and optional curbside check-in via phone call to avoid gathering in waiting areas.

Employee temperature screenings at the start of their shift to guarantee a temperature of 100.4 or lower (in accordance with CDC recommendations) to ensure our team is well and ready for your service.

All staff members will wear a mask when in the lobby, during any interaction with a client, or when in the break room.

Increased education for our team focused on sanitation and disinfection protocols for smart, safe practices

What we are Requesting Customers to Commit to:

Our snacks, tea, and cups have been put away at this time so please bring your own bottle to fill up on FLOWATER

Customers are asked to arrive 15 minutes prior to your appointment and we will text you when we are ready for you to come in.

Please arrive wearing a face mask, this is required by Cal/Osha. If you arrive without one we will provide one for you.

Upon Arrival you will be greeted by our Customer Service team and they will perform a temperature check via a touchless thermometer prior to your service (Customers with a temperature of 100.4 or higher must reschedule their appointment after 30 days with no late cancel fee or penalty)

All customers must answer the COVID -19 health screening questions at time of booking and check in.

Sign a COVID-19 Waiver

We look forward to seeing you soon!
